PROFILE

Junior Front-End Developer with 2 years of experience in creating HTML, CSS, and JavaScript projects. During this time, I have been able to learn and refine my skills, problem-solving abilities, and error correction. I am eagerly looking forward to collaborating with a development team that values and fosters creativity, and I am seeking new challenges and experiences that will contribute to delivering a high-quality final product.

WORK EXPERIENCE

📅 2022- 2022

Feygo SAS

📍 Sincelejo, sucre

Private assistant

Although it was a brief experience, I quickly adapted to the work environment and learned to navigate the professional setting.
